

Product Benefits

- * Clutch engine block when the drill.
 - * With an electronic inverter and a reversing direction of rotation, it allows the screwing and unscrewing
 - * 2 batteries to choose 3 or 1.7 Ah Ah equipped with 5 LEDs to indicate charge level.
 - * Power and battery life for this wireless device.
 - * Electronic Quick Charger 15 'or 22' minutes.
-

Specifications

Drilling capacity	mm Ø 4 - Ø 18 mm
Recommended usage Diameter	Ø 4 - 12 mm
Impact Energy	1.3 J
Weight	3.8 kg with battery 1.7 Ah or 4.5 kg with battery 3 Ah
Power	350 W
Battery charging time	1.7 Ah = 15 min, 3 Ah = 22 min (included with charger)
Voltage	24 V
