

Product Benefits

- * Device independent and powerful quality work freely
 - * Strike electro ensuring a high penetration rate for optimum efficiency
 - * Design Tool with absorbent materials greatly reducing vibration
 - * 2 batteries to choose 3 or 1.7 Ah Ah
 - * Exclusive lock the battery inside the tool
 - * Possible charges of battery on a belt.
-

Specifications

Drilling capacity	mm Ø 4 - Ø 20 mm
Recommended usage Diameter	mm Ø 4 - 14 mm
Energy Impact	2 J
Weight	3.6 kg with battery 1.7 Ah or 3.9 kg with battery 3 Ah
Power	360 W
Battery charging time	1.7 Ah = 23 min, 3 Ah = 40 min
Voltage	24 V
