

Product Benefits

- * Quick change system for tool holder sewing (for drilling wood, steel, concrete, penetration).
 - * Clutch DSC dynamic security.
 - * Mode "reverse" double rotation (facilitates the release of a drill).
 - * System monitoring vibrations SVC (rear handle damping).
 - * Coating the rubber grips to absorb vibrations.
 - * Start-mail.
 - * Cable Exit on kneecap.
 - * Multi position tool holder for nozzles.
-

Specifications

Drilling capacity Ø 6 mm to Ø 32 mm
Recommended usage diameter Ø 14 mm Ø 25 mm
Impact Energy J 5
Weight 4.7 Kg
Power 900 W
