

## Usage Areas

---

## Product Benefits

---

- \* Design ULTRA RUGGED: housing developed to withstand the most difficult sites, electronic protection
  - \* MORE POWER: torque and speed the higher category.
  - \* Optimized LITHIUM Battery: battery life out of the ordinary. Life of the battery to X 4.
- 

## Specifications

---

Lithium SSC  
Capacity 2.6AH  
Ø Drilling capacity Wood 45mm, Steel Ø 13mm  
Capacity 10 mm screw  
Chuck 13mm  
Weight 2.5 kg (with battery)  
Battery charge time 30 minutes  
Speed 0-380/1700 rpm (vacuum)  
Voltage 14.4V
