

---

### Product Benefits

- \* Ideal for point puncture in all types of materials
- \* Even design, robustness and performance models that HDI enriched function percussion and a gear (

### Specifications

Drilling capacity	Wood 32mm, steel Ø 13 mm, Ø 12 mm concrete
Capacity screwing screws	6mm
Maximum torque drilling position diff screw	65 Nm
Maximum torque drilling position tightening facil	24 Nm
Chuck	13mm
Weight	2, 5 kg with battery
Battery charging time	1 hours
Speed	0-500/1700 rpm
Voltage	14.4V
