

Product Benefits

- * Lightweight and handling exemplary precision and comfort for all routine work.
 - * Ergonomic position of the inverter rotation: a screwing / unscrewing practice.
 - * Setting the torque of 1 to 8 nm with 15 positions.
-

Specifications

Capacity	1.5 Ah
Drilling capacity	Wood Ø 25 mm, Ø 11 mm steel
Capacity	tightening screw 7 mm
Maximum torque	drilling position (diff screw 32 Nm)
Chuck	10mm
Weight	1.6 kg with battery
Battery charging time	1 hours
Speed	0-400/1200 rpm
Voltage	12 V
