

Product Benefits

- * Compact and powerful: 18v in only 1.8 Kg, sneaks around to answer all your applications
 - * Optimized LITHIUM Battery: battery life out of the ordinary. Life of the battery to X 4.
 - * Robust: housing in hyper-resistant to withstand the "yard".
-

Specifications

Lithium SSC
Capacity 2.6AH
Ø Drilling capacity Wood 35mm, Steel Ø 13mm
Capacity screw 8 mm
Chuck 13mm
Weight 1.8 kg (with battery)
Battery charge time 30 minutes
Speed 0-500/1600 rpm (empty)
Voltage 18V
