

---

## Product Benefits

---

- \* Compact and powerful: 18v in only 1.8 Kg, sneaks around to answer all your applications
  - \* Optimized LITHIUM Battery: battery life out of the ordinary. Life of the battery to X 4.
  - \* Robust: housing in hyper-resistant to withstand the "yard".
- 

## Specifications

---

Lithium SSC  
Capacity 2.6AH  
Ø Drilling capacity Wood 35mm, Steel Ø 13mm  
Capacity screw 8 mm  
Chuck 13mm  
Weight 1.8 kg (with battery)  
Battery charge time 30 minutes  
Speed 0-500/1600 rpm (empty)  
Voltage 18V
